Introduction

Welcome to the 2010 Morecambe Road Rally.

Regular Clerk of the Course Ashley Hodge has taken a back seat this year to recharge his batteries - any fellow organisers out there will know the work and strain involved with running an event year after year - so I have agreed to step in for one year.

The event will retain its usual Pre-Plot format that Ashley has worked so hard on. This means the excellent Whites remain, along with one or two new bits of road.

While the Whites are all passable in a standard car underbody shielding is recommended for the more flamboyant driver. The Whites may be made up of broken concrete, gravel, mud, grass and/or cow dung.

The entry has been capped at 40 to ensure the Whites remain in good condition for the later crews, so entries are purely on a first come first served basis.

Final Instructions will be forwarded to entrants the week before the event, in the meantime if you require any further information please give me a call anytime on 07834 275102 / dtwillan@btconnect.com

I look forward to receiving your entries.

Non-members can pay £12.50 to join the club for a full term (April - April).

A valid MSA Competition Licence is required.

All competitors must produce a valid club membership card and MSA Competition Licence at Signing On. Any drivers using their own extended insurance must also produce proof of this.

5. CHAMPIONSHIPS

The event is a round of the Team Northern Construction Road Rally Championship.

6. PROGRAMME

Scrutineering will begin at 19.30. Individual times will be notified in the Final Instructions. Competitors will be required to sign on only after their vehicle has passed scrutineering. Any competitor not signed on before 22.00 may be excluded.

The first car will leave the start at 23.30. Cars will start at one minute intervals.

Ordnance Survey Landranger maps no. 97, 98, 102 & 103 C3 will be required. The route will contain approximately 100 miles of public highways including 15 miles of whites.

The event will contain competitive sections timed to an accuracy of one minute or part thereof.

8. ROAD BOOK/TIME CARD

Competitors will be supplied with their Time Cards and a list of Give Ways, Quiets, Black Spots and Rejoin Points at Signing On.

Competitors will be required to make up as much lateness as possible at petrol.

9. CLASSES

The Morecambe Road Rally will consist of three classes as below:

- a) EXPERT - A crew in which either crew member has finished in the top 10 on at least three National B rallies in the past five years.
- b) SEMI-EXPERT - All other crews.
- c) NOVICE - Where the navigator has not won an award on a National B rally.

12. IDENTIFICATION

Competitors will be identified by rally plates supplied by the organisers to be displayed on or just below the rear window and nearside rear window.

13. CONTROLS

MTC - Main Time Control, which the competitor must visit.

TC - Time Control.

NTC - Neutral Time Control - no lateness penalty.

RSC - Regularity Start Control.

IRTC - Intermediate Regularity Time Control.

RFC - Regularity Finish Control.

PC - Passage Control, where crews will be required to obtain a signature.

RC - Route Check, where the crew must record letters/numbers of a codeboard.

All codeboards should be endorsed by the marshal at the next time control. In the event of a timepiece failing the control will assume the status of a PC. Penalties will be applied for booking into any control before their due time. If early, competitors may wait until their due time BEFORE the white Control Board. Crews will be allowed to enter the control area during the minute preceding their due time and obtain their time and signature. For example, a crew requiring 21.15 may enter the control area at any time between 21.14:01 and 21.15:59 and still obtain the correct time.
